The witness had observed UNIT #1 back into the stall between the WITNESS and UNIT #2. A few moments later UNIT #1 pulled out of the stall and began turning (right) in a SE direction. The WITNESS noted that UNIT #1 cut their turn to short and struck UNIT #2. UNIT #1 left the area without providing contact information. The WITNESS had noted the vehicle license plate number of UNIT #1 and contacted 911.

ADDITIONAL NARRATIVE

<small>AGENCY NAME</small> LAKE STEVENS POLICE DEPARTMENT	<small>INCIDENT CLASSIFICATION</small> Vehicle Collision	<small>INCIDENT NUMBER</small> 15-01033
<small>NAME OF VICTIM(S)</small>		

ASSIGNMENT:

On 04/21/15 at about 1544 hours, Debbie Jones contacted 911 to report she had seen a vehicle strike a park unoccupied vehicle in the Burger King parking lot (located at 715 91st Ave NE Lake Stevens). Jones was able to provide a partial vehicle plate of B1116V, which she described as a brown colored small pick-up.

OFFICERS ACTIONS:

I utilized the DAPS database and after submitting the partial plate (B1116V) and vehicle description identify the suspect vehicle as **B11166V**, registered to a Angela Linder (aka Angela Hambridge). The registration listed an address of 10404 11th Pl SE Lake Stevens, WA.

At about 1640 hours, I arrived at the residence and made contact with Mr Linder who related the suspect vehicle was currently being used by his step son (Casey Hambridge). I explained that a witness had observed Casey strike a parked vehicle in the parking lot of Burger King (715 91st Ave NE) and that Casey left the scene without providing his information or insurance information.

Mr Linder provided me with their vehicle insurance information and made contact with his wife Angela. I again explained the circumstance and both Angela and Mr Linder stated this would be taken care of immediately. I related that because I met with them and believed that they as parents appeared to be ready to provide serious consequences toward Casey and his poor behavior, I would not be issuing a citation to him.

RECOMMENDATION:

I made contact with the parents of the 16yoa driver and explained the circumstances involved. At the completion of the conversation I felt that the parents would take immediate steps in correcting the behavior/and driving habits of their son Casey. Casey's parents explained that his driving privilege would be removed at this time.

The parents also immediately contacted their insurance company so that damage to Price's vehicle could be made as soon as possible. Price's vehicle was still drivable, there were no injuries and the incident occurred within a private parking lot.

After speaking with Price, I recommend that this case be closed at this time and that no citation be issued.

DISPOSITION:

I was sitting in my parked car & watched a small, tan RV truck try to back into a vacane spot between my car & the black Honda Accord. They backed in OK but when he (young white male, dark hair) went to pull out of the spot (turning R) he cut too close & tore the Honda's bumper. The driver stopped, the girls in the back surveyed the damage. I made eye contact with 1 of them & motioned not to leave. The girls said something to the driver & they took off - heading S on 9. I think the driver was about 16 - I think there 2 more 3 young girls in the back.
